## FIRE EXTINGUISHER TRAINING

Our team recently participated in fire safety training at GEDA head office. We hope the session was both informative and valuable.

Thanks to *DK Training* for delivering this training!

## HEALTH SURVEILLANCE

Thank you to *We Are Wellbeing* for recently visiting our regional office in Kegworth to carry out health checks for members of Team GEDA. The team provided valuable insights by assessing body composition, heart rate, blood pressure, cholesterol levels, and more!

Our sites have performed well in recent Considerate Constructors Scheme assessments over the past few months. Well done to the teams on their scores!

**STATION COURT, DAVENTRY** 40

## WORLD ENVIRONMENT DAY

In celebration of World Environment Day and in support of the beat plastic pollution movement, GEDA is proud to take another step towards sustainability by introducing personalised stainless steel travel mugs for all employees - a small but impactful action in reducing our environmental footprint.

These mugs, each individually initialled, are made from 90% recycled, post-consumer 304-grade stainless steel, and they mark a significant move in our efforts to cut down on waste. With 160 team members making the switch, we'll collectively save an estimated 11,360 disposable coffee cups each year.

This initiative perfectly reflects GEDA's commitment to building a greener, more sustainable future.

# INTERNAL TRAINING: MIDLANDS & NI

GEDA recently held two Spring Training Days, offering management-led sessions on a variety of key topics, including Business Central, Procurement, Controlled Documents, SHEQ, and Programme Management. The Midlands event took place at Nottingham Forest Football Club, while the Northern Ireland session was hosted at the Armagh City Hotel. Following the training, Team GEDA enjoyed evening social outings, fostering team spirit and connection.

# BELFAST MARATHON

On Sunday 4<sup>th</sup> May, 20 members of #TeamGEDA took part in the Moy Park Belfast City Marathon!

Congratulations to our full marathon runner, 15 relay participants, and four 8-mile walkers for successfully completing their respective routes - all while raising funds for our chosen charities: Air Ambulance Northern Ireland and Little Heroes NI.

We are super proud of our team for taking part again this year and we proudly sponsored members of the Chartered Institute of Building (CIOB) who took part in Sunday's event in support of CIOB Assist Charity.

## NEBOSH QUALIFIED

A huge congratulations to GEDA's SHEQ Officer Sasha, and SHEQ Advisor Bracken, on successfully achieving their NEBOSH Certificate!

Both have shown exceptional dedication and commitment, balancing their full-time roles while working hard to earn this qualification.

They follow in the footsteps of SHEQ Director Chris, who also recently achieved the same certification.

Well done to all on an outstanding accomplishment!

## AUDITS & SITE VISITS SO FAR...

We're delighted to share that over 100 site visits and 100 audits have already been carried out across GEDA sites in 2025. Our dedicated SHEQ team continues to support every site in upholding best practices and maintaining the highest safety standards. A big well done to everyone for keeping safety at the forefront - great work, to team GEDA and our supply chain!
